Sermon Notes

Today, our society does not want to hear us speak the message of Christ. Many find it offensive and restricting. They may even put great pressure on us to keep quiet. But, we cannot. These have been taken captive by the devil to do his will (2 Timothy 2:26). Especially when someone sees the spiritual crisis in his or her life, there will be a desperate

desire for an answer. Where will they turn? If they have heard us speak of Christ and His way, they may need us to communicate the most important message ever spoken. Don't keep quiet about Jesus,

How to Settle It

When people disagree about how many ounces or pounds something weighs, they can settle the matter by using a scale, the standard of authority.

When people disagree about the length of a piece of lumber, they can resolve the disagreement by using a measuring tape, the standard of authority.

When people disagree about what is right and wrong in religious matters, they should settle the matter by using the Bible, the standard of authority.
